

Spot Vital Signs™

Vital signs in seconds, payback in no time!

Taking vital signs just got easier with the Welch Allyn® Spot Vital Signs™, the first ever automated, multi-parameter device. Vital signs that are quick, easy, affordable and accurate. Spot Vital Signs™ offers lightweight portability and a variety of mounting options to meet your needs.

Features

- Standard non-invasive blood pressure (NIBP) as well as pulse rate and MAP.
- Optional SureTemp® thermometry and Nellcor™ Pulse Oximetry.
- Large LCD display with backlight.
- Extremely user-friendly and easy to use.
- Uses the oscillometric method to determine systolic and diastolic pressure, MAP and pulse rate.
- Lightweight and portable: Weighs just 4 pounds.
- Free training video.
