

**International Safety Products Ltd.**

## **MRLJ (Multi Rôle Lifejacket)**

- Ultra Low Profile
- Quick Don/Release
- Airborne Compatible
- Special Boat Operations

### ➤ **PURPOSE**

Designed for multi rôle use. In particular Airbourne Operations. Easily discarded whilst on the move via the side release buckles. The low profile design is compatible with most harness designs. Rigged high to clear chest worn reserve packs. For use in all geographical areas of extreme and adverse climates.

### ➤ **DESCRIPTION**

The Lifejacket comprises an inflatable stole, with high visibility reflective patches, extremely compact outer zippered valise, adjustable webbing harness, and gas inflation system. The inflation is activated manually with a top-up/deflate oral tube facility. Made to extremely high defence standards in synthetic durable materials. Probably the most compact military lifejacket available.

### ➤ **TECHNICAL DATA**

170 Newtons Buoyancy  
Gas Charge: 33 grms CO2  
Weight: 0.35 Kg's  
Colour: NATO Green valise  
Orange/Red (high viz) Stole

### ➤ **DESIGN OPTIONS**
